The May 27th virtual public meeting will feature a presentation, speakers, and a panel to answer any questions. Zoom webinar allows for comments or questions to be submitted in writing at any time during the meeting. The panel will post the comments/questions and answer them through audio at designated points during the public meeting. Participants in Zoom webinar will not have access to their device's microphone or camera.

The SI appreciates your continued interest in the Hirshhorn Sculpture Garden Revitalization project, and flexibility in using a virtual meeting platform to allow continuation of the public review process. Please direct any questions to BondC@si.edu.
